

PROFIRE 15B - BOILER

ECO/ DESIGN

The Profire 15B is a Class 5 boiler and offers a variable heat output from 4 - 14kW, ideal for smaller or wellinsulated homes. This can easily replace oil, gas or solid fuel boilers and is suitable for heating radiators, underfloor heating and hot water. Automatic cleaning of the heating exchangers ensures high efficiency, ceramic ignition means fast light-ups and a large water jacket ensures you get heat quickly when you need it.

KEY FEATURES

- Easy install external mech & elec connections
- Large water jacket for faster performance
- No requirement for a buffer tank
- Advanced, user-friendly, 6 button LCD display
- Compact size, ideal for small plant rooms
- Multiple safety sensors and alarms
- Connect to home heating controls if required
- Remote access via Smartphone App (optional)
- Easy maintenance, thanks to clever design
- Full technical aftersales & maintenance
- 5-year warranty *
- Maintenance contract available

* Subject to a maintenance contract, otherwise standard 2 year warranty applies
