The Aura 9 has a stunning visual impact with its curved corners and black glass centre-section. It's sleek and sophisticated, perfect for modern living spaces. It offers a slim profile, only 295mm deep. This stove has a superior build quality to other stoves, made clear by its weight of a whopping 126kg and it exudes quality throughout. It can easily be connected to your mobile phone for remote access via its Wi-Fi connection.
